UNION PACIFIC DOMINANT

Motive for Resumption of Speculative
Leadership of Prominent Stocks
Found in Increased Satisfaction
With the Present Political Situation.

(By Associated Press.)
NEW YORK, Oct. 3.—The stock market today continued to feel the reviving effect of yesterday's stimulation of speculation in Union Pacific by the favorable showing of August net earnings by the road. Union Pacific continued to lead the market and to exercise a dominant sympathetic effect on the whole list.

The close sympathy shown by Reading, St. Paul and the same stocks which led the summer rise in prices gave the impression that the same powerful money forces which operated to further that advance, were once more active to the same end.

In search of a motive for this supposed resumption of speculative leadership of the market the one most dwelt upon was increased satisfaction on the part of the operators with the political outlook. Advances from money markets in the domestic interior showed a growing demand for currency. This was accepted as significant of expanding commercial activity and its effect in drawing down New York bank reserves was ignored, in view of the prevailing ease of the local money market.

The bank statement revealed how heavy has been the drain on the cash item this week, the reduction in cash holdings running to over \$10,000,000 on the average showing and to over \$11,000,000 in the comparison of actual condition on Friday night. The credit requirements for the week made but a normal net change in the loans of "other banks" which includes the trust companies, expanded \$8,415,600.

Bonds were firm. Total sales, par value, \$2,158,000. U. S. 2's registered have advanced 1-8 and the 4's coupon 1/2 while the 2's coupon have declined 1-8 per cent. on call during the week.

Total sales today 454,000 shares, including: Sugar, 200; Chesapeake & Ohio, 1,400; Louisville & Nashville, 400; Norfolk & Western, 100; Reading, 12,100; Rock Island, pfd, 21,300; Southern Pacific, 38,300; Southern Railway, 900, pfd, 600; Tennessee Copper, 2,000; Sloss Sheffield, 200; Union Pacific, 93,500.

WEAK KIDNEYS MAKE WEAK BODIES.

Kidney Diseases Cause Half the Common Aches and Pains of Newport News People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric acid circulated in the blood. Aches and pains and languor and urinary ills come, and there is an ever increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. Newport News cures are the proof. Mrs. W. B. Miller, living at 816 Twenty-seventh street, Newport News, Va., says: "Doan's Kidney Pills gave me wonderful relief and I consider them a reliable remedy. I used them for kidney complaint and they did me a world of good. My back was very weak for some time and the pain was so severe at times that I could scarcely get around to do my house work. After trying a number of remedies and not getting relief, my attention was called to Doan's Kidney Pills and I procured a box at A. E. G. Klor's Drug Store. They helped me from the first and I continued to take them until the trouble entirely disappeared. It gives me pleasure to recommend Doan's Kidney Pills."

For sale by all dealers. Price 25 cents. Foster-McPherson Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
